

2008 annual fundraising campaign

For over 25 years, Ultramar's Jean-Gaulin refinery has organized an annual fundraising campaign to benefit non-profit organizations. Ultramar matches each dollar pledged by its employees. In 2008, 90% of employees took part in the campaign. \$369,717 were raised for Centraide of Quebec City and Chaudière-Appalaches, while \$93,402 were also donated to "Le Grenier de Lévis". Centraide is a permanent fixture on our recipient list, while one or two others change yearly and are open to employee suggestions.
